Priority Registration Notice

April 30, 2010

To all returning students and families:

We are making plans for the fall of 2010 and would like you to confirm your lesson day, time and length. Over the summer we receive inquiries from prospective students, but the needs of our returning students come first. In order to guarantee your lesson time, we require a non-refundable \$75.00 deposit per family. *This reserves your lesson time, and is deducted from your fees in September.* Please detach and return this form with payment.

In addition, we offer a variety of group classes, programs and ensembles. Please let us know if you are interested in any of these programs by circling them on the form. Most classes take place on Thursday afternoons at Deer Park Public School, near Yonge and St. Clair.

The forms were due for the end of June but if you are just seeing it now, please send it in as soon as possible. **After this date, we will begin scheduling for the fall.**

• *Provincial legislation allows for children to have lessons during school hours. Please let us know if you are interested, and able to have a lesson during these times.*

If you have any questions, feel free to contact us:

Phone: (416) 968-0303, (Main Studio) / (416) 654-8986 (Winona Drive Studio)

Thank you for your understanding and co-operation.

Yours very truly,

Julian Fisher (principal), Mary Fisher (artistic director), David Stone (studio manager)
